Powerscourt advises Kentz plc on Main Market move

Powerscourt has advised Kentz, the £500m market cap global engineering specialists, on its move to the Main Market of the London Stock Exchange last week.

Powerscourt first worked with Kentz when it listed on AIM in February 2008 at 115p. Kentz has grown considerably since then and climbed 11½p to 471p on its first day of dealings on Friday 22nd July 2011.

Employing over 11,000 people in 27 countries, Kentz serves a blue chip client base primarily in the oil and gas, petrochemical and mining and metals sectors. Clients include energy majors such as Shell, ExxonMobil, Chevron and BP in geographies ranging from the Middle East, Australasia and Africa.

The Powerscourt team includes Jon Earl, Sarah Ryan and Lisa Kavanagh.
