

## POWERSCOURT'S SUMMER 2024 INTERNSHIP PROGRAMME

### INTRODUCTION TO POWERSCOURT

Powerscourt is an award-winning strategic communications consultancy and provides trusted advice to the world's top companies on critical business issues. Powerscourt was acquired by Morrow Sodali in October 2023. Morrow Sodali is a global shareholder engagement and governance advisory company.

We have earned a reputation for delivering an outstanding service to both public and private businesses. Some of the biggest companies in the world rely on our advice to safeguard their reputations.

Powerscourt has a very collaborative and sociable culture with a diverse team including a mix of seasoned journalists, bankers, lawyers and communications experts who provide our clients with the experience, insight and creativity that sets us apart.

We advise companies across a broad range of services, including financial and corporate communications, crisis and issues management, political affairs, sustainability and campaigning. The team has specialist industry expertise in consumer industries, industrial services and capital goods, financial services, healthcare, housebuilding and real-estate and TMT.

### THE PROGRAMME

During the internship, candidates will be introduced to how a communications agency works, the various roles and responsibilities of our teams and understand how we partner with businesses on their communications issues.

Interns will be given an overview of the business through a detailed itinerary including but not limited to:

- Introduction to Powerscourt and its sector teams
- Shadowing colleagues
- Attending client meetings
- Assisting teams in research projects and client-related work
- An individual project to be presented at the end of the internship

We offer paid placements over a 2-week period and follow a hybrid working model, meaning interns will benefit significantly from working closely with managers and other team members, as well as from direct exposure to some of the top experts in the industry.

### ELIGIBILITY

We are seeking bright, motivated applicants who have an interest in current affairs, business and the media. Applicants must be a minimum of 18 years old.

### APPLICATION PROCESS

The window for applications opens on 2<sup>nd</sup> January 2024 and closes on 31<sup>st</sup> March 2024, successful applicants will be contacted by the HR team after the closing date, to arrange an introductory meeting with the prospective team head.

Meetings will primarily be held in our offices, but there will be flexibility for video calls if required. Successful candidates will be invited to take their placement between July and September.

Please submit your CV, and a cover letter detailing:

- your interest in Powerscourt and our internship programme; and
- a preferable team for your internship (please note, not all requests can be accommodated)
